# Materials Horizons

New  
Journal

A new international journal for the most exciting research at the cutting-edge interface of materials science with chemistry, physics, biology and engineering

 Materials-Horizons  
 @MaterHoriz

The outstanding Editorial Board, led by Professor Seth Marder (Georgia Institute of Technology, USA), will drive the journal's scientific development, with Scientific Editors helping to maintain scientific standards.

Authors will benefit from:

- Wide exposure of their work with free online access to content published during 2014 and 2015
- Simple online submission and a speedy peer review and publication process
- The option of publishing research as an Accepted Manuscript, making work available quickly after acceptance
- Free colour, no page charges
