THE LOVIBOND COMPARATOR

is available from stock with a very wide range of permanent glass colour standards for most routine colorimetric tests.

Special discs can be made to suit any required range of colours.

Write for list of publications on the subject of colour measurement, including our new book "The C.I.E. International Colour System Explained."

THE TINTOMETER LTD., SALISBURY, ENG.

One of our reagents in tablet form which has a wide variety of uses as a

sensitive indicator for the volumetric determination of V, Cr, Fe, Zn, etc.
