VOLUME XXII.

1897.

ERRATA.

The second paragraph which appears on page 124 is misplaced ; it should be read in connection with the table on page 120, to which it refers.

Page 282, lines 17, 19, and 20, *for* "per cents." *read* "parts per thousand."

Page 326, lines 6 and 9 from bottom, *for* "sulphur chloride" *read* "carbon disulphide."
