## Chemical Science

A new global impact journal for exceptional research  
from across the chemical sciences

What's different about *Chemical Science*, you might ask?

Firstly, we know that current approaches to selecting and publishing articles aren't always as effective as they might be. Secondly, we appreciate the challenges you face in getting your work published, noticed and recognised.

We want to change this. So *Chemical Science* will make it easier for you to get the recognition that your work deserves.

A hand-picked team of dynamic Associate Editors, led by **Editor-in-Chief David MacMillan**, will ensure that every article has a fair review. And as active researchers, they will guarantee that the journal represents the best new thinking in the chemical sciences.

Submit your next article to *Chemical Science* – and step  
into the spotlight.
