Volume 16 | Number 38 | 14 October 2006 | Pages 3729–3800

ISSN 0959-9428

APPLICATION

Ganesan Balasundaram
and Thomas J. Webster
A perspective on nanophase
materials for orthopaedic implant
applications

PAPER

Helen F. Gleeson *et al.*
Remarkably wide four-layer smectic
phases in mixtures of liquid crystals
and highly chiral dopants

0959-9428 (2006) 16:38;1-X
